Dear Mom, Dad, Jeff

Well, I made it! Saturday

Burl was off. We went to the Guggenheim Museum and last night to Radio City Music Hall. Then after, we went up to the Rainbow Room — a very dark coctail lounge on the top of the RCA building. We had champaine. It was delicious.

Burl is leaving now for work. Im going shopping on 5th Ave. Tonight we are going to the stage show Fiddler on the Roof with Jan + Bill. Out of Room.

Love you, Linda
